JANUARY 2019

CAMPER AND STAFF EDITION

“... and He took a child, and set him in the midst of them: and when He had taken him in his arms, He said unto them, **Whosoever shall receive one of such children in My Name, receiveth Me: and whosoever shall receive Me, receiveth not Me, but Him that sent Me.**

Mark 9:36-37

A study by the Barna Group reported that almost half of all Americans who accept Jesus Christ as Savior do so before reaching the age of 13 (43%), and two of three (64%) before their 18<sup>th</sup> birthday. If we do not reach them during camper age, they may never come to faith at all.

## 2018 Summer Summary

The camper count remained close to 400 again this year. We were challenged to find enough volunteer counselors. The Board of Directors has decided to limit registration for 2019. After the staff application deadline (May 1), a final camper count for each week will be established.

We are actively recruiting more adults to serve for a single week – to be placed with our all-summer youth staff. We also need four nurses, four boat drivers, and a dozen cooks.

Level 2 background screening is required for all staff. If you are already screened for education, law enforcement, or healthcare we may be able to utilize your current credentials.

## SUMMER CAMP DISCOUNTS

### EARLY REGISTRATION DISCOUNT (ENDS 2/28)

Complete Registration (with a paid deposit) by February 28 for a \$45 discount. All discounts are applied after a deposit has been made. The online balance assumes the discounts. However, after 2/28 the discount will be removed from accounts without a paid deposit.

### SIBLING DISCOUNT (ENDS 6/15)

The sibling discount is \$25.00 and applies to each camper in your household. This discount is applied after at least two campers are registered (and the deposit has been paid). After 6/15 the discounts for campers without a paid deposit will be removed.

### CAMPER ASSISTANCE

If you are not eligible for other discounts or are unable to afford the full tuition you can apply for Camper Assistance (certain rules apply). This is one of the online forms. This form is not visible on the camper dashboard until the camper is enrolled.

We begin 2019 with about \$1000 in the camper assistance fund! Thank you donors!

### CAMPER EMAIL MESSAGES

Messages to campers must be sent using a link provided by invitation. Parents are able to send one-way emails to their campers from the Camper Dashboard directly or using a website and link that they can send invitations to family members (and themselves). We can also send invitations from the camp office if you have trouble.

### RECYCLING FOR HANDICRAFTS

There is always a need for bags with handles (gift bags) to send crafts home. When the crafts are planned later this spring we will update our wish list on the website.

## 2019 WINTER PROJECTS

Our winter volunteer season has begun. The gas lines and propane regulators and water heaters were replaced in all of the original cabins. The original eight cabins now have on-demand water heaters (like the new cabins).

We are working on plans to expand the current chapel. We have folks working on plans and estimated cost. **Thank you for praying with us.**

## ONLINE REGISTRATION

### FIRST TIME REGISTERING ONLINE?

Your name is in the Camp Horizon database if you received this newsletter in the mail. However, if you did not register for summer camp or a retreat since 2017 you may not have a user-name and password yet. We ask that you contact us so that we can connect your current record to the online login.

**Help us to avoid duplicate records.**

### RETURNING CAMPERS

Camper forms that were completed since 2017 contain most of the information that you have entered. The signatures were removed so that you will review and update information like T-Shirt sizes. Some things like email, phones, and addresses can be updated. However, if you need to correct birthdates or grade you need to contact the camp office.

### ENROLLED – NOT REGISTERED

When a parent selects a session (week of camp) and begins completing the camper forms, that camper is now "enrolled". If you exit before completing the entire registration all of the forms that you complete are saved. All required forms must be completed before you will be allowed to make a payment. A weekly email reminder is sent to all enrolled but not registered campers.

As camp approaches, enrolled but not registered campers will be un-enrolled.

### WAITLISTED

If a session fills and an enrolled camper tries to complete their registration (pay their deposit), that camper is waitlisted. **Enrolling does not "hold" your spot.**

### REGISTERED

A camper is registered when all forms are complete and a deposit has been made. Until the camper status is "Registered" the application is incomplete.

The first students graduated during the summer of 2018. We have two more students that are on track to graduate this year. We need six students for the fall to continue this program. This is another matter for prayer.

## SUMMER STAFF 2019

<http://staff.camphorizon.org>

The online summer staff application is live and online! Please begin the process early so that we can get references and background screening completed.

**Each summer we process over one-hundred summer camp staff applications.** This year things will be simplified for our returning staff. Online forms contain information from 2017 to present and may only need to be reviewed or updated.

Most of the process is completed **online** using a single sign-on link. Your work is saved as you complete each screen. You do not have to complete it all at one time. However, you will not be allowed to "submit" your application until all of the required modules are complete.

- All of the forms that require signatures will be provided by email as a single printable file after your application is submitted.
- Background screening for returning staff (2014-2018) **may** only require the submitted online application and the signed forms. The BGS form has that info.
- References are contacted automatically using the email address that you provide. Two are required.
- New applicants (and those without a recent background screen) will still be required to complete an online background screening form and submit live-scan (digital) fingerprints.
